- **Messages from coordinator**

Semester coordinator has taken action on points from last meeting.

Head of study has clarified on how a possible new shutdown is handled

7 municipalities will be closed down. Students must indicate if they are resident in one of the affected municipalities

If an employee is affected, it is AAU's responsibility to find a substitute to take over.

- **Projects**

Semester coordinator asked if everyone has started on the projects, and because no one replied, we assumed, that they are.
