Politic for student workplaces at ENGINEERING

The Faculty Management at ENGINEERING has adopted the following policy for student workplaces on 14 February 2023.

DESCRIPTION OF POLICY FOR STUDENT WORKPLACES AT ENGINEERING

- Student on 1st and 2n semester of the bachelor's program are allocated a permanent workplace (for project work, calculation assignments etc.).
- Other students have access to student workplaces to varying extent.
- Project groups without permanent workplaces have access to booking of workplaces to the extent necessary for the performance of the project work.
- Workplaces are made available for all students for calculation assignments.
- When allocating rooms on the 1 semester of the master's program, special attention must be paid to the integration of students from other institutions.

POLICY FOR COOPERATION

- The purpose of the workplaces for project groups is to stimulate the AAU PBL model for group work.
- Students shall have easy access to the academic environment, including their supervisor and meeting fellow students from their own and other semesters.
