

Study board conclusions of the study programme evaluation report

Year: 2022

Campus: Aalborg

Semester: CA10

Date: 24 August 2022

This document represents the public version of the evaluation of the abovementioned programme and year and is based on responses from students (at the end of the last semester of the programme) to a questionnaire about their experiences with the contents of the programme, coherence, progression and study load, etc.

The conclusions from the study board (below) represents the board's decision about the adjustments that should be based on the evaluation of the students. The conclusion can include information from semester and teaching evaluations, earlier study programme evaluations and other information from students, teachers, employer panel, etc. known by the study board.

The document also represents the study board's response to graduates, students, teachers and other interested parties about the conclusions made based on the responses of the graduates.

Conclusion of the study board

The study board has on its meeting on the above data decided that no changes in the curriculum should be made based on the received feedback. The education gets high rating from the students, including courses and supervision. The students underline very high academic level of the program.
