E-mail (@student.aau.dk):	
Master's programme:	

Admission based on this permit, means that you can follow up to a maximum of 30 ECTS of a master's programme, while completing your bachelor's degree concurrently.
Please note that admission based on this permit does not entitle you to the Danish State Grant for students (SU). It is only possible to receive SU if you are entitled to payments via your remaining bachelor's programme.
Read more about the SU rules on <http://www.en.aau.dk/education/su>

Please state which course(s) you still need to pass to complete your bachelor's programme by the 1 September:

Semester	Name of project/courses	ECTS	Date for resit exam

Please state your reasons for applying for a permit (other than uncompleted courses/projects). Please explain why you have not yet finished your bachelor's degree and why you think you will be able to pass the missing course(s) while being enrolled in the master's programme.

--

You must submit the form via your AAU-mail to the Admissions Office on masteradmission@aau.dk. The form must be submitted no later than 25 August (September intake) or 25 January (February intake). This deadline also applies if you have a re-examination after this date.
