

DOCTORAL DEFENCE

The Faculty of Medicine at Aalborg University, Department of Clinical Medicine, has accepted the following dissertation by MD PhD, Pia Afzelius:

"Evaluation of Various Tracer Candidates for Molecular Imaging of Osteomyelitis and a Juvenile Porcine Model of Hematogenous *Staphylococcus aureus* Osteomyelitis".

The oral defence session will take place on 29 August 2024 at 13:00 pm at Aalborg University, room 11.01.032, Selma Lagerlöfs Vej 249, 9260 Gistrup, Denmark.

The appointed official opponents are Professor, MD Elin Trägårdh, Lund University, Sweden, and Professor, D.M.Sc. Jens H. Henriksen, University of Copenhagen, Denmark.

The defence is public and will be held in Scandinavian.

All are welcome.

A copy of the dissertation can be obtained by contacting Tove Sørensen, Department of Clinical Medicine, AAU (e-mail: tovems@dcm.aau.dk).

Unofficial opponents should register with the Vice Dean for Research Ole Kæseler Andersen before the oral defence.
