

# FACILITIES ON CAMPUS

## THE "AAU MAP" APP

The app can help you find your way around campus. It has both a search function to help you find specific rooms and an overview, which can inspire you to find new study workplaces. The app is available on Google Play and App Store and is called "AAU Map".

## PLOTTER

At the plotter, posters and boards are printed in sizes up to A0 and Arch E. Very large posters must be cut by hand, while medium and smaller posters can be cut e.g., in V-Lab. Normal printer paper is used. The plotter is available in Copenhagen. To use the plotter, contact the following:

Copenhagen, Bjarke: [bjbo@plan.aau.dk](mailto:bjbo@plan.aau.dk)

## CREATIVE BOXES

Multiple study programmes have a creative box available at their programme coordinators (BD, SD, LAND AAL, BEM CPH), with various things for your project work. If your study programme is not mentioned, you can contact your programme coordinator to find out more.

## BORROWING DICTAPHONES, CAMERAS, etc.

It has now become possible to borrow a range of technical equipment at the PLAN institute. The equipment can be used for study-related activities and can be borrowed one week at a time. To borrow the equipment, go to following locations:

Aalborg: **1.328 (Rendsburggade 14)**

Copenhagen: **2.042 (Building A)**
