# Udvekslingsområdet

[WWW.STUDENT.AAU.DK](http://WWW.STUDENT.AAU.DK)

AALBORG  
UNIVERSITET

# Agenda

1. Kort oplæg fra Internationalt Kontor vedr. tendenser, muligheder og hvordan vi kan hjælpe jer og jeres studerende
2. Kort intro til "Cultural Intelligence, CQ" som redskab til at forstå og hjælpe dine studerende (og dig selv) i det internationale møde
3. Sparring og bordet rundt ift. status på det internationale område – hvad foregår der hos jer, hvilke udfordringer og indsigter møder i m.m.

## Studerende i Tromsø:

"Studying in the Arctic context gave me insight into planning in a fragile and climate-sensitive environment. At the same time, one of my courses approached these topics from a global perspective, including culture and politics, which broadened my understanding even further. It was truly eye-opening to engage with issues that are far removed from my upbringing and from what I normally study in Denmark.

Socially, the experience was equally positive. The university made a strong effort to 'take care' of students during the dark winter period by organizing regular events, such as knitting afternoons every second Tuesday and many other social activities in both the university and the city. The variety of events ensured that everyone could find something that suited their interests, and I personally felt very included.

On a personal level, the gain has been immense. Beyond academic growth, the experience has expanded my perspective and strengthened my capacity to aspire and think long-term in my future work within urban development and planning."

## MOBILITY ONLINE OG DIGITAL LEARNING AGREEMENT

### FOR UDREJSENDE AAU STUDERNEDE I STUDIEOPHOLD HOS VORES PARTNERUNIVERSITETER I EUROPA

Her kan I se hvordan den studerendes ansøgning eller workflow, som det hedder i MO sprog, ser ud:

**Applicant details** Enable tool icon

Last name	Study program	Day from
[REDACTED]	MSc in Engineering (Energy Engineering) - 3127-1	15.09.2025
First name	Country of host university	Day until
[REDACTED]	Italy	14.02.2026
Date of birth	Host university	Do you want to apply for a grant?

**Query application work flow** Open/Close all

— Before the mobility : Submit and confirm application 4 / 4

- ✓ Check your curriculum 23.02.2025, [REDACTED] [Check curriculum](#)
- ✓ Check course catalogue at the partner university 02.03.2025, [REDACTED] [Fill in expected courses](#)
- ✓ Application checked by International Office: ok 10.03.2025, Trine Vaagholt
- ✓ Get in touch with fellow students for the same destination 12.03.2025, [REDACTED] [Share your email address](#)

In this step you must check the course catalogue at the host university which you will find on their webpage and fill the courses you find relevant and would like to study. If you are doubt about if the courses matches well enough the requirement from AAU, please ask an academic from your department or study board. Note! This is not the final selection of courses, it is only to give us an indication of what you are planning to study and to check if that is in accordance to the terms of the exchange agreement. It is not given that the courses can be approved by the host university and the final course selection will take place later in the process.

Vi har opgaverne listet i venstre side af skærmen, og det er også her vi ser fluebenet, når opgaven er løst. I højre side ligger selve opgaven, som et "link" man kan trykke på og så kommer man ind og skal gøre fx uploade noget eller svare på noget. Der er 4/4 opgaver løst i denne gruppe, kan vi også se.

## Mobility Online og Digital Learning Agreement (visning)

Her beder vi fx om at den studerende uploader sin forhåndsmerit, vi tjekker den bl.a. kræver vi, at den selvfølgelig skal være godkendt af studienævnet:

— Before the mobility - Application and admission at partner 6 / 6

✓ You have been nominated at the host university by the International Office 07.04.2025, Trine Vaagholt

The information from the host university is their application procedure, requirements and deadline for submitting an application for exchange.

✓ Information from the host university 01.05.2025 [redacted] [Confirm receipt of information from host university](#)

✓ Application to the host university 01.05.2025, [redacted] [Confirm submission](#)

In this step you must upload the advance credit transfer approval of courses (dansk forhåndsmerit) from your AAU study board.

✓ Advance Credit Transfer 01.05.2025 [redacted]

✓ Acceptance Letter 01.05.2025, [redacted] ?

✓ Duration of stay 01.05.2025 [redacted]

Så kommer vi til Erasmus DLA (digital learning agreement):

— Before the mobility - Digital Learning Agreement (DLA) 5 / 6

In this first step of filling in your Erasmus Digital Learning Agreement (DLA) you must enter your language level in the main language of instruction and the name and contact information of the person at the host university who can approve and sign your DLA. If you have not received this information in the application procedure, you must ask the host university.

✓ Responsible person for DLA and language at partner university 09.09.2025, [redacted] [Enter responsible person and language at partner university](#)

In this step of filling in your DLA you must enter the courses you should have attended here at AAU if you were not going abroad. As you have an opening for going abroad in the curriculum and an advance credit transfer from your study board, it is perfectly fine to write 'Mobility Window' and the number of ECTS in total: 30 ECTS. You simply click on 'Enter further courses' in the bottom of the page and add the information in the window that opens.

✓ Courses for the Digital Learning Agreement at AAU 05.02.2026, [redacted]

In this step of filling in your DLA you must add the courses/modules/subjects you intend follow during your exchange. These are the courses you expect to get or have already gotten pre-approval of credits for. You simply click on 'Enter further courses' in the bottom of the page and add the information in the window that opens. You enter the courses one by one by filling the boxes for each course. The white boxes are mandatory to fill in and gray boxes are optional. When you are done filling in the courses you must click 'Sign and transfer'. Then International Office will forward the DLA to your AAU study board for them to approve and after the DLA has been approved by AAU it will automatically be send to the host university for their approval.

✓ Digital Learning Agreement signed by AAU 27.02.2026, external\_la

## Mobility Online og Digital Learning Agreement (visning)

Den studerende har 3 trin som udfyldes, og herefter sender IK DLA'en til studienævnets funktionspostkasse, som en mail med et actionlink (der kræves altså ingen login). Mailen kan sendes videre til rette godkender. Efter denne godkendelse kan de studerende se, at I har godkendt, og DLA'en sendes digitalt til partneruniversitetet. Afvises DLA'en af studienævnet, sendes den retur til den studerende, som retter til og så får I den igen, og først herefter sendes den så til partneruniversitetet. Afviser de sendes DLA'en i loop igen. Den studerende kan se, at partneruniversitetet har godkendt, når der er flueben i disse to trin (og se den samlede DLA ved at trykke på linket):

✓ Digital Learning Agreement signed by the partner university	08.08.2025	[redacted]	
✓ Display Digital Learning Agreement	08.08.2025	[redacted]	<a href="#">Display Digital Learning Agreement</a>

Det er samme flow, der gentages i den studerende workflow under 'During the Mobility' hvis/når en studerende har ændringer til fagene undervejs i udvekslingen (hvis et fag alligevel ikke udbydes, der er skemasammefald eller lignende).

Når de er hjemme igen, beder vi om at de uploader Certificate of Attendance og et Transcript of Records:

Query application work-flow			
— After the mobility			
✓ Before return information received	19.11.2025	JobSendMail	
✓ Share your e-mail address to fellow students	14.12.2025	[redacted]	
<p>The certificate of attendance must be filled in and signed by the host university before you leave. This is very important as the certificate documents the actual dates of your stay. However, it may not be signed more than 5 days prior to your last day (it must be signed by hand (preferably with blue ink)).</p>			
✓ Certificate of Attendance Download	14.12.2025	[redacted]	<a href="#">Download Certificate of Attendance</a>
✓ Certificate of Attendance Upload	05.01.2026	[redacted]	<a href="#">Upload Certificate of Attendance</a>
<p>An as Erasmus student it is mandatory to complete an evaluation survey 'Participant report' from the Erasmus programme. You will receive a link for this survey in your AAU student email close to the end of your mobility.</p>			
✓ Erasmus Participant Report	05.01.2026	[redacted]	<a href="#">Confirm submission</a>
<p>In this step you must upload a copy of your Transcript of Records (dansk: eksamensbevis) from the host university. Remember to also hand in a copy to your study board for the final credit transfer.</p>			
✓ Transcript of Records from the host university	10.03.2026	[redacted]	

Udover hjælpeteksten i den gule boks, får de studerende også en e-mail, der minder dem om at sende ToR til studienævnet, således at den endelige meritoverførsel kan ske.
