Anita Egholm Jensen – MMA coordinator  
Dorthe Skree secretary 7. semester  
5 students / TM was not represented

**Minutes by:** Student Anne Sofie Weltz Jørgensen

**Evaluation of the courses:**

**BM/MMA:**

- No comments

**TM:**

- TM was not represented, and had not sent any comment to the semester represent

**Message from the semester coordinator, and MMA profile coordinator:**

- Semester coordinator: No remarks
- MMA profile coordinator: the marketing course will hopefully hold an online meeting regarding the BIA assignment, which was canceled due to sickness

**Projects:**

- BM students have started working in labs
- MMA has had a good start

**The semester in general:**

- MMA lessons are rearranged with short notice, which causes students not to be able to attend the lessons
- MedIS opportunity was an excellent event. It would be positive if the event were placed on a no-schedule day so everyone would be able to attend the entire event
- The main office will publish dates for project exams during November
- Students should check in STADS whether they are registered for exams
