Study Board's Follow-up on Semester Evaluation E25: Master's Programme 3rd Semester

Response rate

EPSH9: 73%, PED9: 44%, HWPS9: 0%, MCE9: 54%, TEPE9: 58%, HYTEC9: 22%

1. Semester Structure and Planning

- *TEPE9:* A student reports that groups were formed very quickly at semester start, while the project brief arrived 1–2 weeks later, leaving a period with no concrete project work

Follow-up: One group received a supervisor only after 2–3 weeks, which was late. The head of the study board will contact the study secretary to clarify the cause.
